

Norton H. Walton/Russell L. Miller Award Nomination Form

The Norton H. Walton/Russell L. Miller Award in Safety/Loss Prevention is given by the Safety and Health Division of AIChE in recognition of outstanding chemical engineering contributions and achievements in the Loss Prevention, Safety and Health fields. Its objective is to encourage the continuation of such contributions and enhance the visibility, recognition and value of the Division within AIChE. The following rules shall govern the granting of this award:

- a. It shall be awarded at the discretion of the Division's Executive Committee but not more frequently than once each calendar year.
- b. It shall be awarded to a member of the Institute. There is no age limit. The award shall be for outstanding contributions and achievements to promote Safety, Loss Prevention and Health in chemical engineering activities.
- c. Nominations are to be submitted by members of the Division to the Chairman of the Division by October 15 of each year.
- d. The award will consist of an appropriate framed certificate and will be presented at a Division event.
