Technical Electives (10 credits total)

Students must take 10 credits of approved technical electives. The list of approved technical electives can be found on the department's webpage at <http://www.chem.mtu.edu> Select the Undergraduate Program, then Degree Requirements.

1. _____ 3 CM
2. _____ 3 CM/Eng
3. _____ 4 CM/Eng/Tech

With these 10 credits, you must take:

1. Three credits of chemical engineering elective,
2. Three credits of engineering elective, and
3. Four credits of technical elective.

HASS Distribution Courses (15 credits total)

Students must take 15 credits of general education distribution courses to satisfy the university's general education requirements. These classes must be chosen from the Humanities, Arts, and Social Sciences (HASS) Distribution List. A limited number of credits may also come from the Creative Endeavor List and/or Supplemental List.

Restrictions:

- Minimum of 6 credits must be at the 3000-4000 level
- Limit of 3 credits from the Creative Endeavor List
- ~~Limit of 3 credits from the Supplemental List~~ *met with CM 3410*

The HASS Distribution List can be found on the Registrar's Office web page at <http://www.mtu.edu/registrar/> Select General Education Requirements. You may also search for these classes on Banweb by selecting the following attributes: Humanities, Arts, and Social Sciences, HASS Creative Endeavor, or HASS Supplemental List.

1. CM 3410 _____ 3 Supp List/3000+
2. _____ 3 Level 3000+
3. _____ 3
4. _____ 3
5. _____ 3

NOTE: CM 3410 is required by the department and on the Supplemental List. No other classes from the Supplemental List may be applied as HASS distribution courses.

Recommended HASS course: EC 3400 Economic Decision Analysis, prior or during fall senior year 2 classes.

Co-Curricular Requirement (3 units total)

A co-curricular unit involves the same time commitment as an academic semester credit but is not included in calculation of the GPA or in the overall degree-credit requirement. Repeatable courses may not be repeated for co-curricular general education credit, except PE 0210. PE 0210 may be repeated once if the topics are different.

1. _____ 0.5
2. _____ 0.5
3. _____ 0.5
4. _____ 0.5
5. _____ 0.5
